

M/s./Mr./Mrs./Ms.....**S.I.C. Moseet Hospital, Namkum, Ranchi**

*Thank you
Together we did it!*

We would like to express our deepest gratitude and appreciation for your active participation and unconditional support during our 'Me to We' social service this year. It's been seven years of dedication, networking, events, engagement and your continuous support, which has led us to a successful completion of these 7 years of our Social Service Initiatives.

We once again thank you for all the support
